Hunger is hard.
Now, finding food is easy.

Community Compass™
Help for finding food assistance in Marion County.

One of the problems facing people who are food insecure is knowing where to turn for assistance. Finding nutritious, readily available food shouldn’t be hard. That’s why we created Community Compass™ — a free, quick and easy app designed to show people where they can find food assistance.

Community Compass allows users to:

- Find Free Meal Locations
- Find Free Groceries
- See if you qualify for WIC, SNAP and other programs
- Find Food-Related Events like Farmers Markets, educational programs and more
- Chat with Shelly, our Community Compass chat assistant, to see if they qualify for food assistance programs or get other information

Two ways to get help.

Access to free food and assistance can be quickly and easily achieved via the Community Compass app on smart phones or by sending a text on other types of mobile phones. Instructional videos and marketing resources can be found at indyhunger.org/compass.

1. On a smart phone:
   - Go to the App Store or Google Play
   - Search for “Community Compass”
   - Download and install
   - Start using to find food assistance

2. On other mobile phones:
   - Text “hi” to 317-434-3758 to find assistance

If users have questions about where to find food assistance, they can:
