**All Other Accomplishments**

The Indy Hunger Network has several other programs designed to improve nutrition, access, and sustainability of the hunger relief system in the Greater Indianapolis area with the goal of ensuring that all who are hungry have access to the nutritious food they need. Our Food Drop project provides donation information through [www.fooddropIN.org](http://www.fooddropIN.org) to truck drivers with rejected loads of food that they wish to donate rather than dumping it in the landfill. The WIC Marketing Project is a collaboration with the state and Marion County WIC offices to increase awareness of WIC eligibility and benefits to increase enrollment by eligible women and children. Our Food Pantry Network is aimed at supporting food pantries throughout the city by connecting them to experts and to each other. Through our annual Food Pantry Networking Summit and quarterly food pantry meetings in each township, we are working to help pantries collaborate with each other and implement best practices. We are also working with the City of Indianapolis on the development of a multi-platform app that will provide people with easy access to information on food assistance through their phones.
